Evaluation of the GOODFOOD e-learning course - questionnaire

My average weekly workload on this course has been (all inclusive):

- <2 hours
- 2-4 hours
- 4-6 hours
- 6-8 hours
- More than 8 hours

In my opinion, the workload on this course has been:

- Way too little
- Too little
- Appropriate
- Too high
- Way too high

In relation to my own prerequisites, I find the professional level of this course to be:

- Way too low
- A bit too low
- Appropriate
- A bit too high
- Way too high

The objectives of the e-learning course were clearly presented.

- Totally disagree
- Disagree
- Neither agree or disagree
- Agree
- Totally agree

The students' tasks on the course were clearly presented.

- Totally disagree
- Disagree
- Neither agree or disagree
- Agree
- Totally agree

In my opinion, the delegated teaching materials have been relevant for this course (lectures, reading materials/articles, questions for discussion, quizzes).

- Totally disagree
- Disagree
- Neither agree or disagree
- Agree
- Totally agree

In my opinion, e-learning has been a good learning method for this course.

- Totally disagree
- Disagree

Neither agree or disagree

Totally agree

Please rate the quality of the course (1- lowest; 5 – highest)

Would you recommend such e-learning course to your colleagues?

Yes

No

Maybe

If you could go back in time, would you have decided again to take part in this e-learning course?

Yes

No

I'm not sure

Did you see any of the following aspects of the course as particularly problematic for you?

Language

A large amount of material

Too short time to complete the tasks (case study report)

Limited contacts with other students

What worked well with this course? (positives)

What didn't work well? What challenges have you faced and why?

What improvements would you suggest?

What was the main outcome for you? the main learning? The main "take home message"?

At which University are you studying?

MUAS, Germany

ISARA, France

UNISG, Italy

WULS, Poland

AUP, Bulgaria

UO, Romania
